

End-of-Sale and End-of-Life Announcement for the Cisco Catalyst 6500 Series and Cisco 7600 Series Communication Media Modules

EOL6553

Cisco® announces the end-of-sale and end-of life dates for the Cisco Catalyst 6500 Series and Cisco 7600 Series Communication Media Modules. The last day to order the affected product(s) is June 15, 2009. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available until the termination date of the contract, even if this date exceeds the Last Date of Support shown in Table 1.

Table 1. End-of-Life Milestones and Dates for the Cisco Catalyst 6500 Series and Cisco 7600 Series Communication Media Modules

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end of sale and end of life of a product is distributed to the general public.	December 15, 2008
End-of-Sale Date	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	June 15, 2009
Last Ship Date: HW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	September 13, 2009
End of SW Maintenance Releases Date: HW	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	June 15, 2010
End of Routine Failure Analysis Date: HW	The last-possible date a routine failure analysis may be performed to determine the cause of product failure or defect.	June 15, 2010
End of New Service Attachment Date: HW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	June 15, 2010
End of Service Contract Renewal Date: HW	The last date to extend or renew a service contract for the product.	September 10, 2013
Last Date of Support: HW	The last date to receive service and support for the product. After this date, all support services for the product are unavailable, and the product becomes obsolete.	June 14, 2014

HW = Hardware OS SW = Operating System Software App. SW = Application Software

WS-SVC-CMM-BLANK	CMM module Blank Panel Cover	There is currently no replacement product available for this product.	
WS-SVC-CMM-BLANK=	CMM module Blank Panel Cover	There is currently no replacement product available for this product.	

Product Migration Options

Customers are encouraged to migrate to the Cisco 3800 Series Integrated Services Routers. Note that a Cisco 3845 Router is required in addition to the appropriate voice modules. For example, a migration replacement for a Cisco Communication Media Module (product identification WS-SVC-CMM) with one T1 port adapter (WS-SVC-CMM-6T1) is a Cisco 3845 Router plus one IP Communications High-Density Digital Voice/Fax Network Module with two built-in T1/E1 ports (NM-HDV2-2T1/E1) plus two Cisco second-generation 1- and 2-port T1/E1 Multiflex Trunk Voice/WAN Interface Cards (VWIC2-2MFT-T1/E1). Information about this product can be found at: <http://www.cisco.com/en/US/products/ps5855/index.html>.

Customers may be able to use the Cisco Technology Migration Program (TMP) where applicable to trade-in eligible products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at: https://www.cisco.com/web/partners/incentives_and_promotions/tmp.html.

Customers may be able to continue to purchase the Cisco Catalyst 6500 Series and Cisco 7600 Series Communication Media Modules through the Cisco Certified Refurbished Equipment program. Refurbished units may be available in limited supply for sale in certain countries on a first-come, first-served basis until the Last Date of Support has been reached. For information about the Cisco Certified Refurbished Equipment program, go to: <http://www.cisco.com/go/eos>.

Service prices for Cisco products are subject to change after the product End of Sale date.

For More Information

For more information about the Cisco 3800 Series Integrated Services Routers, visit <http://www.cisco.com/en/US/products/ps5855/index.html>, or contact your local account representative.

To request information about the Cisco 3800 Series Integrated Services Routers, send an e-mail to cs-cmm@cisco.com.
