

# Ultra Cloud Core 5G Access and Mobility Management Function, Release 2022.04

## Documentation Map

First Published: 2022-10-14

Last Updated: 2022-10-14

Table 1 UCC 5G AMF Documentation Map

| Information Type                     | Documentation  | Description   |
|--------------------------------------|--|---|
| UCC 5G architecture                  | <a href="#">UCC 5G AMF Configuration and Administration Guide, Release 2022.04 &gt; 5G Architecture chapter</a>                          | Describes the Ultra Cloud Core 5G architecture.   |
| Product overview                     | <a href="#">UCC 5G AMF Configuration and Administration Guide, Release 2022.04 &gt; 5G AMF Overview chapter</a>                          | Provides an overview of the 5G AMF network function, architecture, supported use cases, etc.                                |
| Product deployment and configuration | <a href="#">UCC 5G AMF Configuration and Administration Guide, Release 2022.04 &gt; Deploying and Configuring AMF through Ops Center</a> | Provides information on deploying and configuring AMF.  |
| Feature overview and configuration   | <a href="#">UCC 5G AMF Configuration and Administration Guide, Release 2022.04</a>   | Describes the various AMF features, their configuration, and OAM procedures.  |
| Troubleshooting information          | <a href="#">UCC 5G AMF Configuration and Administration Guide, Release 2022.04 &gt; Troubleshooting Information</a>                      | Provides troubleshooting information, including logging, monitoring, and procedures.  |
| Metrics reference                    | <a href="#">UCC 5G AMF Metrics Reference</a>   | Provides statistics, metrics, and KPI reference information.  |
| API reference                        | <a href="#">UCC 5G AMF API Reference</a>   | Provides reference information about the APIs that are exposed by AMF to establish communication between network functions. |
| Release Notes                        | <a href="#">UCC 5G AMF Release Notes</a>   | Provides information on the release and the list of unresolved defects for the release.                                     |

Documentation Map

| Information Type         | Documentation                                       | Description  |
|--------------------------|---|--|
| Release Change Reference | <a href="#">UCC 5G AMF Release Change Reference</a> | Provides information on new and modified features, and behavior changes for the release. |
