Overview

Partner Experience (PX) Cloud is a portal for Cisco Partners to connect with Cisco and their Customers that includes unified dashboards, Partner Offers, learnings, and more. PX Cloud allows Partners to identify opportunities to extend their service offerings by accessing a customer's CX Cloud information. PX Cloud also provide a comprehensive set of APIs that allows partners to integrate our insights into their Customer Success practice tools.

After onboarding, navigate to [PX Cloud](#) and log in using CCO (Cisco ID) credentials.

What's New

The release notes in this section detail features that will be available in the July 2023 release.

Lifecycle Advantage Renewals & Growth

The **Lifecycle Advantage Renewals & Growth** panel has been added to the **Today** tile in PX Cloud giving partners an overview of Missing Customer Contacts, Review By date, and Review Status. Partners can click the **View in Lifecycle Advantage** link for a detailed view of this information.
