Overview

Partner Experience (PX) Cloud is a portal for Cisco Partners to connect with Cisco and their Customers that includes unified dashboards, Partner Offers, learnings, and more. PX Cloud allows Partners to identify opportunities to extend their service offerings by accessing a customer's CX Cloud information. PX Cloud also provide a comprehensive set of APIs that allows partners to integrate our insights into their Customer Success practice tools.

After onboarding, navigate to [PX Cloud](#) and log in using CCO (Cisco ID) credentials.

What's New

The Release Notes in this section detail features that will be enabled as part of the March 2024 release.

New Service Contracts Column

The **Service Contracts** tab under the **Customers** tile has been enhanced to include a new **Service Program** column and filter options. Partners can use the **Hide/Show Columns** option to display the new column.
