

## Preface

---

This document describes how to install the Cisco StadiumVision Mobile Reporter and Cisco StadiumVision Mobile Streamer software on a Cisco UCS C220 server.

The intended audience is Cisco StadiumVision Mobile Reporter and Cisco StadiumVision Mobile Streamer system administrators, Cisco Technical Field Engineers who are responsible for designing and deploying Cisco StadiumVision Mobile, and Cisco Partners. It is expected that readers of this document are familiar with basic IP networking and video technology, have a general understanding of the sports and entertainment business, and understand the objectives and operations of live events.

## Document Revision History

[Table 1](#) lists the technical changes made to this document since it was first published.

**Table 1** Document Revision History

Date	Description
August 13, 2014	Removed port 2812 that was used for the Monit user interface from the <a href="#">“Cisco StadiumVision Mobile Streamer Ports” section on page 23</a>
July 18, 2014	Updates to qualified versions of VMWare for virtualized environments.
June 18, 2014	Initial release of Cisco StadiumVision Mobile 2.0.0.

## Document Organization

Module	Description
<a href="#">Getting Started Installing or Upgrading Cisco StadiumVision Mobile Software</a>	Provides an overview of required actions before installing Cisco StadiumVision Mobile software.
<a href="#">Installing Cisco StadiumVision Mobile Software for the First Time</a>	Describes installing Cisco StadiumVision Mobile software for new installations.
<a href="#">Upgrading Cisco StadiumVision Mobile Software from Release 1.3 to Release 2.0</a>	Describes the tasks needed to upgrade an existing installation of Cisco StadiumVision Mobile software.

Module	Description
<a href="#">Using the Software Manager to Upgrade Cisco StadiumVision Mobile Software</a>	Describes using the software manager to perform an upgrade of Cisco StadiumVision Mobile software.
<a href="#">Appendix A: CIMC Configuration and Firmware Upgrade Guidelines on the Cisco UCS C220 Server</a>	Describes using the Cisco Integrated Management Controller (CIMC) on a Cisco UCS C220.
<a href="#">Appendix B: Port Reference</a>	Identifies the ports used by Cisco StadiumVision Mobile.

## Related Documentation

See the *Cisco StadiumVision Mobile Reporter Administration Guide* and *Cisco StadiumVision Mobile Streamer Administration Guide* for information about operating the Cisco StadiumVision Mobile Reporter and Cisco StadiumVision Mobile Streamer.
