What's New in Cisco Product Documentation

February 2018

RSS

What's New in Cisco Product Documentation lists new and revised Cisco documentation since the last release of this monthly publication. To subscribe to the *What's New in Cisco Product Documentation* RSS feed, paste this URL into your RSS reader:

https://www.cisco.com/cdc_content_elements/rss/whats_new/whatsnew_rss_feed.xml

Previous releases of the *What's New in Cisco Product Documentation* are available at the following URL:

https://www.cisco.com/c/en/us/td/docs/general/whatsnew/archive/archive.html

Cisco Product Documentation Resources

Cisco Bug Search Tool

Bug Search Tool (BST), the online successor to Bug Toolkit, is designed to improve our customers' effectiveness in network risk management and device troubleshooting.

BST allows partners and customers to search for software bugs based on product, release, and keyword, and it aggregates key data such as bug details, product, and version.

Visit Bug Search Tools & Resources on Cisco.com. For details on the tool overview and functionalities, visit the help page at https://www.cisco.com/web/applicat/cbsshelp/help.html

Cisco DocWiki

You can collaborate on Cisco documentation using Cisco DocWiki:

https://docwiki.cisco.com

Cisco Icon Library

Cisco icons are globally recognized and generally accepted as standard for network icon topologies. Cisco icons are available for download:

https://www.cisco.com/c/en/us/about/brand-center/network-topology-icons.html

Cisco International Websites

To find international Cisco websites, go to https://www.cisco.com and click **Worldwide** at the top of the page.

Cisco Internetworking Terms and Acronyms (ITA)

This resource defines internetworking terms and acronyms specific to Cisco products, technologies, or services. Some terms may also have descriptions unique to Cisco. The Cisco ITA does not duplicate industry-standard terms for which definitions can be found in other sources. To review this resource:

https://docwiki.cisco.com/wiki/Category:Internetworking_Terms_and_Acronyms_(ITA)

Technical Documentation Ideas Forum

This forum allows you to communicate with other customers and Cisco technical writers. You can share your ideas about Cisco documentation on the Technical Documentation Ideas forum:

https://www.cisco.com/go/techdocideas

Creating Bookmarks to Cisco.com Pages

After you log in to Cisco.com, you can use the My Cisco tool to save links and documents. You can then go to the links from any Cisco.com page. The tool is available on most Cisco.com pages. See the *My Cisco User Guide* for help:

https://www.cisco.com/web/help/mycisco.html

Cisco Support and Downloads

The Cisco Support and Downloads website provides online resources to download documentation, software, and tools. Use these resources to install and configure the software and to troubleshoot and resolve technical issues with Cisco products and technologies. To receive security and technical information about your products, subscribe to the Product Alert Tool (accessed from Field Notices), the Cisco Technical Services Newsletter, and Really Simple Syndication (RSS) feeds.

Access to most tools on the Cisco Support and Downloads website requires a Cisco.com user ID and password.

For more information:

https://www.cisco.com/c/en/us/support/index.html

Submitting a Service Request

Open a service request online at:

https://www.cisco.com/c/en/us/support/index.html

Display a list of Cisco worldwide contacts at:

https://www.cisco.com/en/US/support/tsd_cisco_worldwide_contacts.html

Obtaining Additional Information

Information about Cisco products, services, technologies, and networking solutions is available from various online sources.

■ Sign up for Cisco email newsletters and other communications at:

https://www.cisco.com/offer/subscribe

■ Visit the Cisco Services website for the latest technical, advanced, and remote services to increase the operational reliability of your network. Go to:

https://www.cisco.com/go/services

- Visit Cisco Marketplace, the company store, for Cisco collateral, logo merchandise, Cisco Press books, and software at:

  https://www.cisco.com/go/marketplace/

- Obtain general networking, training, and certification titles from Cisco Press publishers at:

  http://www.ciscopress.com

- *What's New in Cisco Product Documentation* (this document) is an online publication that provides information about the latest documentation releases for Cisco products. This online publication is updated monthly and organized by product category. Go to:

  https://www.cisco.com/c/en/us/td/docs/general/whatsnew/whatsnew.html

- The Warranty Finder allows you to find warranty information that applies to a specific product or product series/family. To access Cisco Warranty Finder:

  www.cisco-warrantyfinder.com
