

#### **Preface**

#### Revised: March 2009, OL-17435-01

Cisco 1-Port Channelized OC-12 Line Card Installation and Configuration Guide provides information related to installing, removing, and troubleshooting the 1-Port Channelized OC-12 line card.

The preface contains the following sections:

- Changes to This Document
- Obtaining Documentation and Submitting a Service Request
- Objectives
- Organization

## **Changes to This Document**

Table -1 lists the technical changes made to this document since it was first printed.

Table -1 Changes to This Document

Revision	Date	Change Summary
OL-17435-01	March 2009	Initial release of this document.

## **Obtaining Documentation and Submitting a Service Request**

For information on obtaining documentation, submitting a service request, and gathering additional information, see the monthly *What's New in Cisco Product Documentation*, which also lists all new and revised Cisco technical documentation, at:

http://www.cisco.com/en/US/docs/general/whatsnew/whatsnew.html

Subscribe to the *What's New in Cisco Product Documentation* as a Really Simple Syndication (RSS) feed and set content to be delivered directly to your desktop using a reader application. The RSS feeds are a free service and Cisco currently supports RSS version 2.0.

# **Objectives**

This document provides an overview of the 1-Port Channelized OC-12 line card, prerequisites for installation, how to install the 1-Port Channelized OC-12 line card and how to troubleshoot the installation.

## **Organization**

This document contains the following chapters:

Section	Title	Description
Chapter 1	Overview: 1-Port Channelized OC-12 Line Card	Provides an overview, hardware specifications, LED details, and interface specifications of the 1-Port Channelized OC-12 line card.
Chapter 2	Preparing for Installation	Describes the required tools, equipment, and safety guidelines for installing the line card.
Chapter 3	Installing and Removing a Line Card	Describes the procedure for installing and removing a line card on a Cisco 12000 XR Series Router.
Chapter 4	Verifying and Troubleshooting the Line Card Installation	Provides the information for troubleshooting the installation of line cards.
