Document purpose

This user guide describes how to administrate and configure Cisco Cyber Vision.

It shows the GUI with the highest license level (Advantage) and the **Admin** and **Product** user roles.

This manual is applicable to **System version 4.4.1**.

Warnings and notices

To ensure your personal safety and to prevent damage to property, observe the following: Warnings and notices and Safety Alert symbols. These notices are graded according to the degree of danger.

Warning Indicates risks that involve industrial network safety or production failure that could possibly result in personal injury or severe property damage. Take precautions.

Important Indicates risks that could involve property or Cisco equipment damage and minor personal injury. Take precautions.

Note Indicates important information on the product described in the documentation.
