

About this documentation

- [Document purpose](#), on page i
- [Warnings and notices](#), on page i

Document purpose

This user guide presents the [concepts](#) of Cisco Cyber Vision and how to [navigate](#) within the application by explaining available features.

It shows the GUI with the highest license level (Advantage) and all available user roles (from full rights to read-only).

This manual is applicable to **system version 5.0.0**.

Warnings and notices

To ensure your personal safety and to prevent damage to property, observe the following: Warnings and notices and Safety Alert symbols. These notices are graded according to the degree of danger.

Warning

Indicates risks that involve industrial network safety or production failure that could possibly result in personal injury or severe property damage. Take precautions.

Important

Indicates risks that could involve property or Cisco equipment damage and minor personal injury. Take precautions.

Note

Indicates important information on the product described in the documentation.
