

Bringing everyone together to do exceptional work

Today's work life is demanding

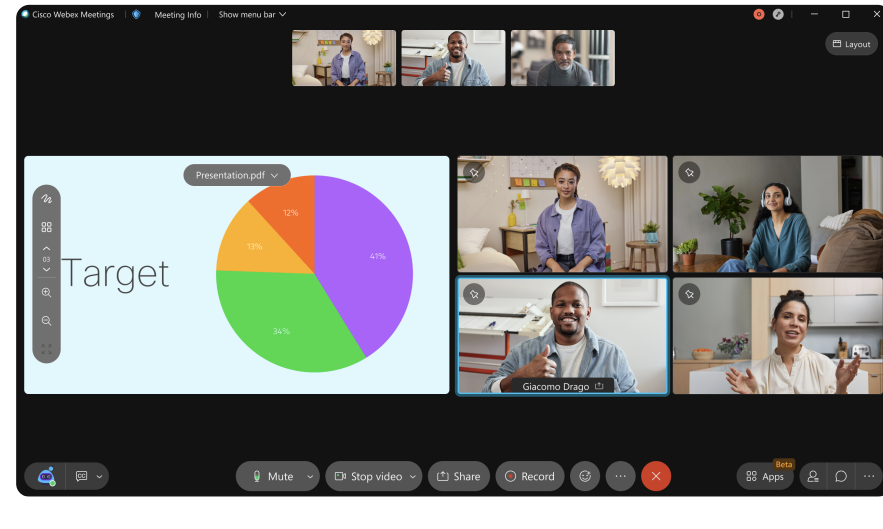

It's varied.
It's individualized.
It's eclectic.

Collaboration anytime, anywhere, on any device is key.

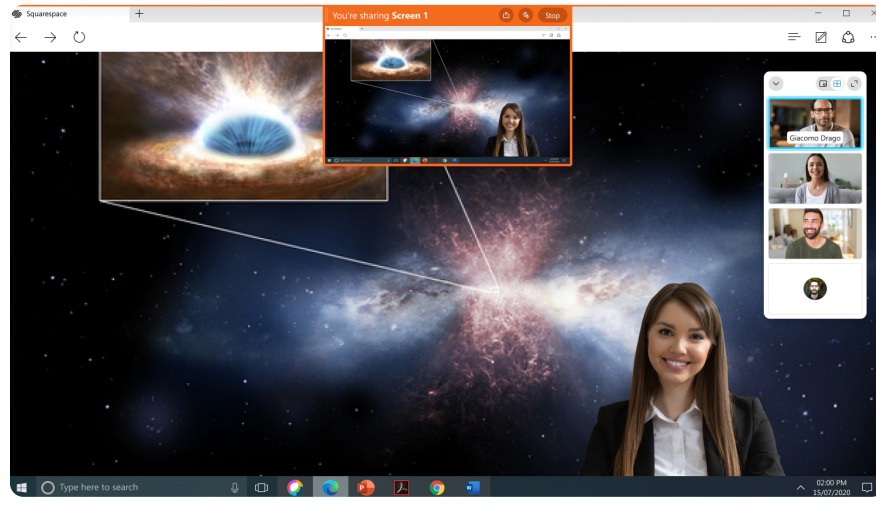

Webex is the answer—one easy to use and secure app to call, message, meet and get exceptional work done.

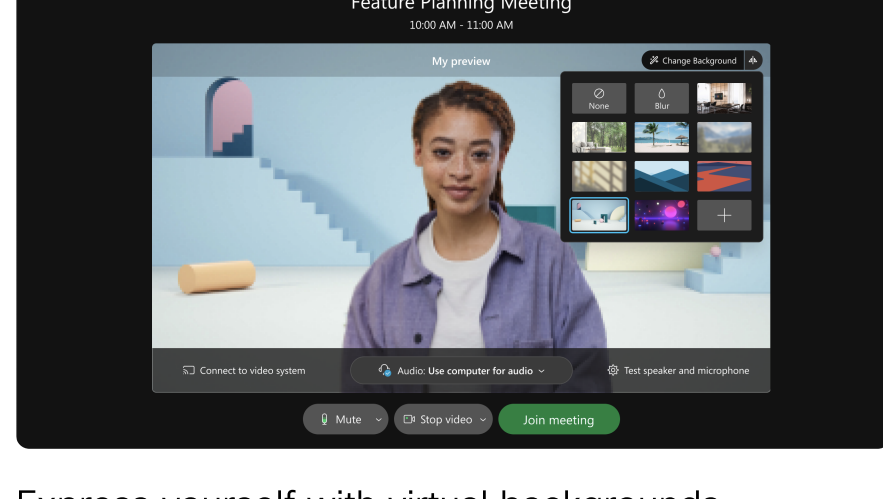

Personalized to your preferences

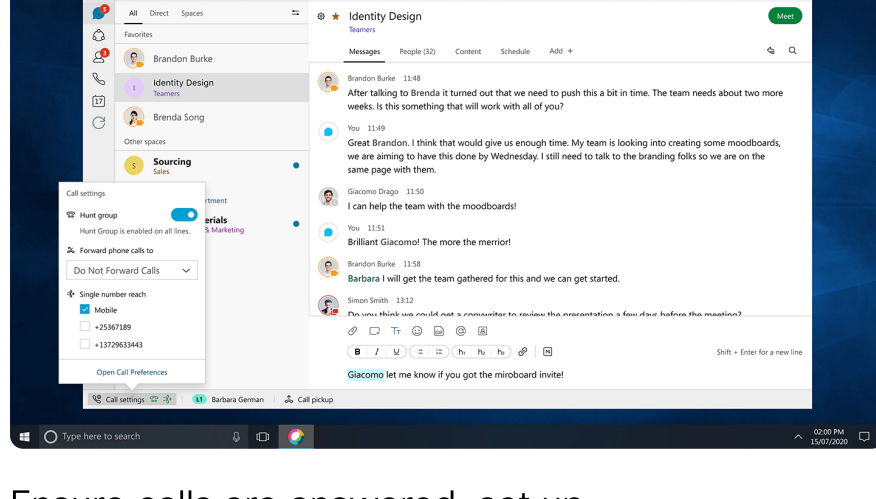

Place people and shared content where you want them with custom layouts.

Immersive share lets you put content front and center, and yourself wherever you please.

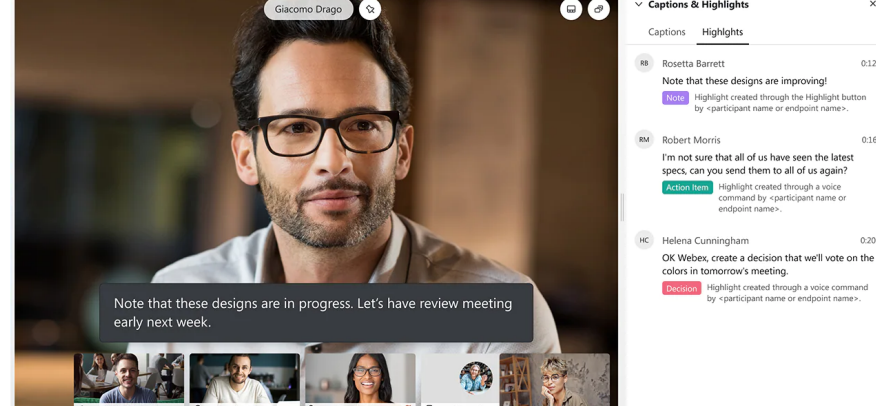

Express yourself with virtual backgrounds, photos, colors and brand.

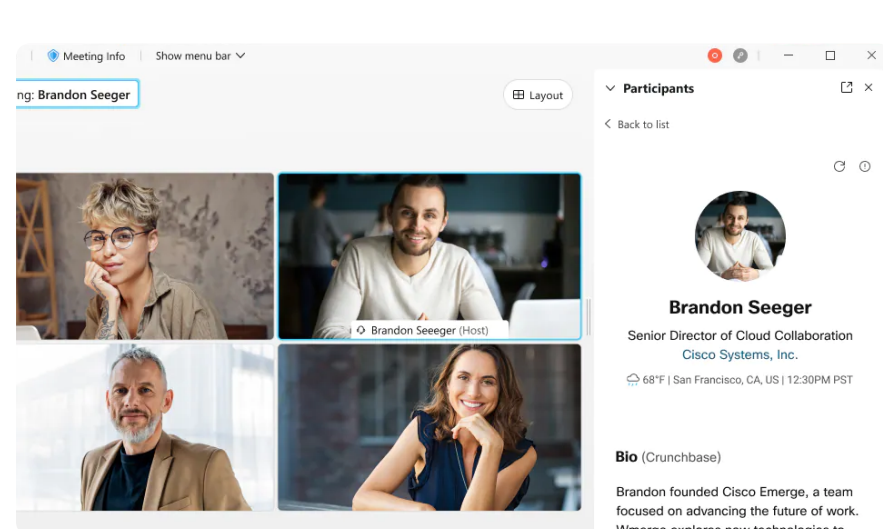

Ensure calls are answered, set up notifications or manage availability.

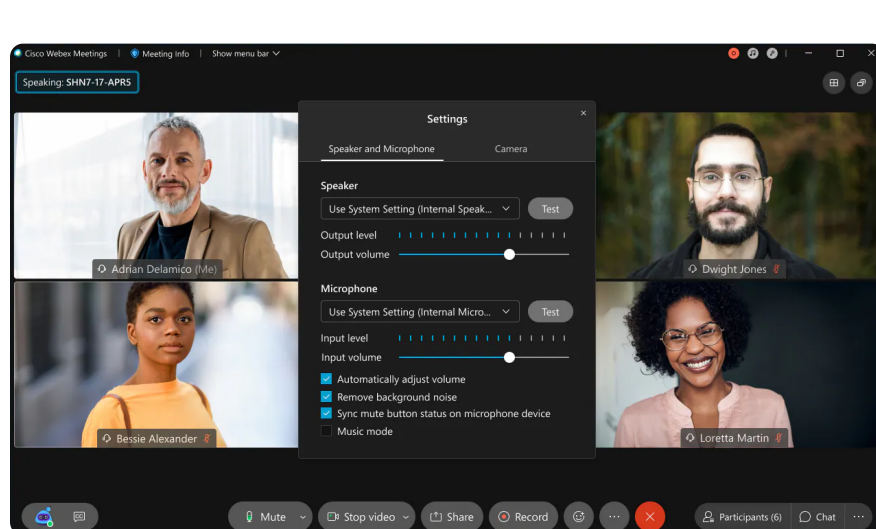

Artificial intelligence lets you work smarter

Automatic transcripts, notes, and highlights capture the meeting so you don't have to.

Business Insights gives you useful info about who you're meeting with.

Serves up important information and drowns out disruptive noise to help you focus.

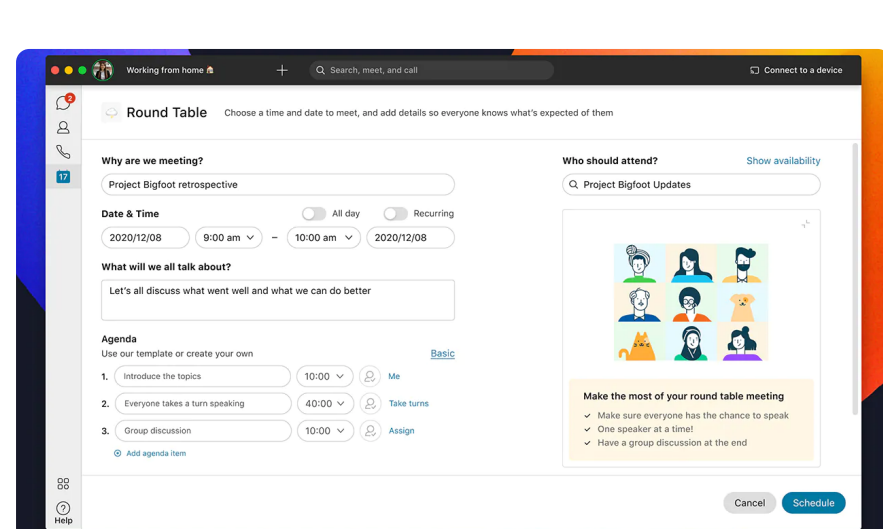

Inclusive so everyone can participate

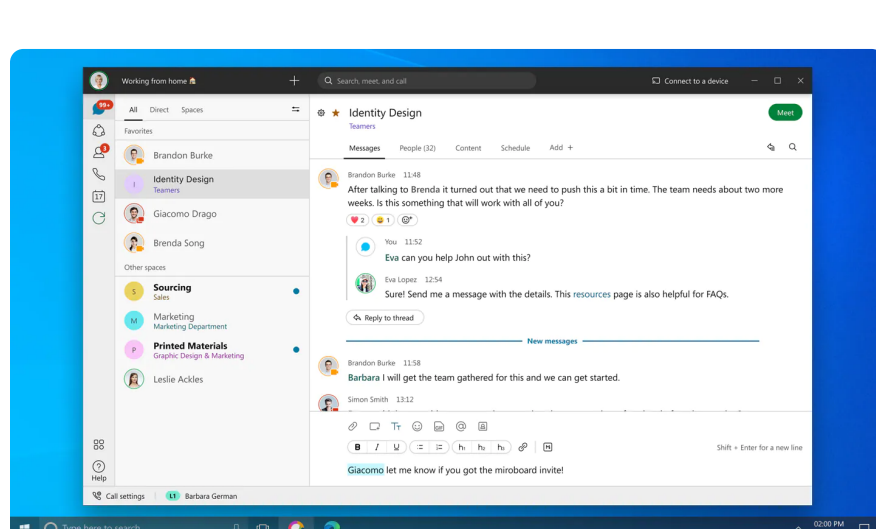

Real-time translation so language is never a barrier.

Gestures and reactions let you participate without saying a thing.

Round table and quick sync templates give everyone a voice.

Keep conversations and projects flowing with expressive messaging.

It's all in Webex.

Webex seamlessly integrates with your favorite productivity and learning tools so you can work how you want.

Come together to do exceptional work—regardless of location, language, technology, or work style.

Try Webex for free today.
